Teaching business English is more or less the same as teaching standard English—with a few twists and tweaks.. Usually you'll start with students who speak at a pretty advanced level and tend to want to gear their English towards business themes rather than general topics like planning their vacation, asking for directions or shopping for shoes. ...

Unlike traffic violations or civil cases, criminal cases often involve the prospect of incarceration and can have other, longer-lasting life consequences. This overview discusses various criminal law basics, such as criminal statutes, criminal law procedure , and the potential outcome of a criminal case.
