Applied Developmental Science: Vol 24, No 4

Whatever the cause of adolescent stress, it falls to parents, educators, and mentors to help teens move through it. Developmental science, practical sense, and even traditional wisdom can all help. When my own daughter (whose father is Indian-American) became a teenager, we marked the new road ahead with a Hindu coming-of-age ceremony.

Developmental Science

The article explains how the developmental sciences have come to be marked by a multidisciplinary and multiprofessional approach to scholarship that seeks to describe, explain, and optimize integratively the influences on development from all levels of organization comprising the ecology of development.
