RELENTLESS (Pub. 2009) by Dean Koontz was a fascinating and great read. The author has a remarkably thoughtful way of bringing a thriller to life, and this is one of my favorite of his stories. As a writer myself, I couldn't help but be caught up in the plot - a bestselling writer, Cubby Greenwich, is waylaid in a national book review by a famously vicious critic.

I'm beginning to wonder if Dean Koontz had a life-changing event that forced him to alter his writing style. Or, I'm even half-tempted to believe that he is farming out ideas and having someone else write for him. Relentless is another book in a fairly consistent string of so-so efforts. The book started well and drew me in pretty quickly.
