Managers make lots of short-term decisions. We will begin looking at how managers make decisions and how to determine if information gathered is relevant to the process. The decision making process When managers make decisions, they go through a five step process. We may not even be aware that we are actually going through these [...]

Short-term decision making and relevant information ...

Consider a crowded street fair, commonplace to so many of us just 6 months ago. Today, does the thought of visiting the food stalls and shops fill you with fear and anxiety? If your answer is yes, it is possible that you also view the recent market rally with scepticism. By contrast, if the idea of visiting an open market makes you feel hopeful about a return to normality, perhaps you believe ...
