to go into your subconscious mind and easily remove the negativity.

Release Technique (Abundance Course) - Release Technique Store

The Release Technique is the Solution The Release Technique is a highly effective tool for 'releasing' or "letting go" of negativity literally on the spot. The Release Technique, presented by Larry Crane (a one time friend and student of the method's creator, the late, Lester Levenson), was originally marketed under the name "the Abundance Course" and was sold as a CD course.

The Release Technique Reviewed

The Release Technique is a very solid method for letting go or "releasing" our constant grip and desire to control emotions, negative habits, energy, and thoughts. These are the driving factors behind most of our suffering in life around unwanted experiences.

Release Technique - Larry Crane - Consciousness Junkie

One treatment technique that is becoming more popular in chiropractic and physical therapy clinics is Active Release Technique, or ART. This procedure is used for injuries and pain in muscles, tendons, ligaments, and even nerve-related disorders.

Active Release Technique: A Solution to Pain Management ...

The Release Technique focuses on releasing or letting go of want or lack. It groups all "wants" into one of three categories, want of Approval, Control or Security. So, when something comes up that stirs up emotion, you release until you no longer want it. One of the keystones to The Release Technique is the six steps.

Release Technique - Log in

The solution is deceptively simple... Eliminate the barriers of negativity that cover up the joy and success (which is already inside of each and every one of us, waiting to burst out). To do this effectively, we need a system—a set of tools that apply the principles and practices of the Release Technique—that knocks out the negativity at the deepest levels in key areas of our lives.
