The 'Triumph Of The City' May Be Greener : NPR

Triumph of the City extolls the virtues of the city as one of civilization's greatest inventions. Cities not only connect people but also help them accomplish great things. And although many of today's urban metropolises face real challenges in a new economic order, there are many ways for cities to succeed.

Triumph of the City by Edward Glaeser - Blinkist

Why I liked "Triumph of The City" The central theme of this book focuses on cities and their ability to improve the way we live. Although the author made numerous interesting and compelling arguments, I found his writing style a little too academic for my liking.

Book Review: Triumph of The City - Adventures in CRE

According to a review in The New York Times, his book titled Triumph of the City: How Our Greatest Invention Makes Us Richer, Smarter, Greener, Healthier, and Happier (2011) summarizes Glaeser's years of research into the role that cities play in fostering human achievement and "is at once polymathic and vibrant".
